Tanzania is the 5th poorest country in the world, with a population of 40 million people.

Most of the people live on less than \$1 a day.

330,000 people live in Tarime, a district in Northern Tanzania. Care for Africa has been raising money for education, water and health programs since 2004. We need your help to continue our fantastic work in this impoverished community.

Almost every school we visit in the outlying communities has absolutely no books, science equipment or educational resources.

Our Launceston community and schools have generously donated much needed educational supplies, especially books over the last 12 months.

Care for Africa is currently raising funds to build an Educational Resource Centre, to house the gifts from you, in Tarime. This will allow us to continue our work with "teach the teacher" program and the distribution of these vital educational aids.

Sonia Clifford • Carol Northeast • Penny Padgett • Lisa Cummins • Angela Knight • Belinda Haddy • Diana Butler

Come and wine, dine & dance, and help us raise money for our community on the other side of the world.
